Complete Product Range

CONTROL PANEL

VESTA-068N Battery-Powered Control Panel

Self-contained hub with 14-month battery life on D-cell batteries. Real-time reporting via GPRS/3G/4G LTE. Supports up to 32 PIR cameras.

14-Month Battery Life

GPRS/3G/4G

32 PIR Cameras

SIRENS

VESTA-107N Outdoor Siren via Radio

104dB high-performance outdoor siren. Selectable fire and intrusion profiles. Programmable activation: 3, 5 or 10 minutes.

104dB

Outdoor

Programmable

PIR DETECTORS & PIRCAM

VESTA-460 Outdoor PIRCAM

720p HD camera with 10m IR night vision. 90° PIR. Anti-masking. IP65 rated.

VESTA-370 Outdoor PIR Detector

Dual IR lens, adjustable range 2.5–12m. 90° swivel angle. Low-level installation.

VESTA-423 Indoor PIRCAM

12m PIR coverage, 90° detection, 720p HD imaging. App-configurable sensitivity.

ADDITIONAL DETECTORS

VESTA-477 Outdoor PIR Volumetric

PIR detector via outdoor radio VESTA. Reliable long-range wireless detection.

VESTA-063 Dual Tech Curtain Detector

Dual technology curtain detector for outdoor use in shutters and perimeters.

Optex BXS-R Curtain Detector

Premium curtain detector for perimeter protection in scaffolding environments.

Optex AX200TFR 60m Beam Detector

Long-range 60m outdoor beam detector for large site perimeter coverage.

ARM / DISARM

VESTA-011 Radio Keyboard

Backlit keypad, Grade 2, 10yr battery

VESTA-033 Proximity Reader

Outdoor proximity reader for access

VESTA-017N 4-Button Key Fob

Bidirectional, Grade 2, 8yr battery

DOOR CONTACTS

VESTA-249 Magnetic Contact

Magnetic contact with 2 extension terminals

VESTA-335 Outer Door Sensor

Robust outer door sensor for perimeter

SMOKE DETECTORS

VESTA-421 Smoke Detector

Wireless smoke detector via radio

VESTA-205 Thermal Detector

Thermovelocimetric detector VESTA

VESTA-032 Smoke & CO Detector

Combined smoke and CO detector

Accessories & Trusted Partners

ADDITIONAL PRODUCTS

VESTA-206N

Relay Controller

Automate devices — pool covers, gas/water valves, irrigation. SPDT relay, AC powered.

SPDT Relay

VESTA-039

Wireless Panic Button

IP66 rated, 9-year battery. Supervised emergency signalling for on-site personnel.

IP66

9-Yr Battery

VESTA-148

Radio Transmitter

F1868MHz radio transmitter for extending wireless coverage across large sites.

868MHz

F1 Radio

SOLAR POWER SYSTEMS

30W IP65 Lithium

VESTA-440 30W Solar System

IP65 solar power supply with lithium battery. Ideal for remote sites.

60W IP65 Lithium

VESTA-441 60W Solar System

IP65 solar power supply with lithium battery for larger installations.

80W IP65 Lithium

VESTA-442 80W Solar System

IP65 solar power supply with lithium battery for high-demand sites.

120W IP65 Lithium

VESTA-443 120W Solar System

IP65 high-capacity solar power supply with lithium battery.

TRUSTED TECHNOLOGY & MONITORING PARTNERS

Technology Partners

Industry-leading detection hardware trusted for high-risk and challenging environments.

- **VESTA**
Complete wireless alarm system ecosystem — the most flexible on the market
- **Optex**
Curtain detectors and long-range outdoor beam detectors for perimeter security

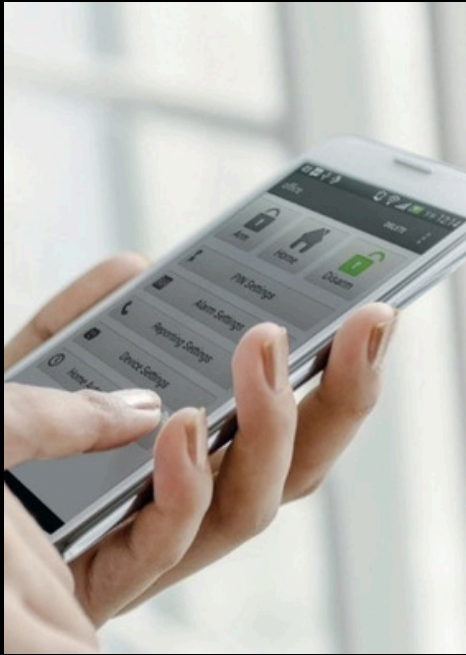

Monitoring Partners

Integrated with major Alarm Receiving Centres enabling fast, professional response.

- **Umbo AI**
AI-driven monitoring system for intelligent alarm verification and response
- **Sentinel ARCs**
Full integration with leading Alarm Receiving Centres via Sentinel platform
- **Remote Watch**
24/7 professional monitoring with rapid alarm verification and response
- **Fenix Monitoring**
Professional CCTV and alarm monitoring with seamless event escalation

SmartHomeSec App

Many functions in one app

With VESTA's SmartHomeSec application you can remotely control and manage your security system and smart devices — from anywhere.

- Reception and verification of panel events
- Instant alarm notifications with images
- Image request to PIRCAM detectors Remote
- panel arming and disarming DAHUA camera
- aggregation via QR code Real-time P2P
- video monitoring
- SOS button with user geolocation
- Biometric access (fingerprint & face ID)
- Geofence system — arm/disarm by location
- Alexa and Google Home integration
- Manage multiple panels with one account
- Free — available for iOS and Android

HOW IT WORKS — RAPID DEPLOYMENT

1

Check Hardware

Unbox battery-powered devices — check for parts & instructions

2

Link to App

Download SmartHomeSec and connect for full remote control.

3

Connect & Configure

Pair all devices wirelessly via the Vesta panel in minutes.

4

Monitor 24/7

Receive live alerts, arm/disarm remotely, view PIRCAM images.
